Church-Planting Missionaries to India

Dear Pastors and Praying Friends,

October 2020

Thank you so much for praying for our family this past month. We are so excited about what God is doing! After months of slow down, we had a very encouraging month on deputation. Though meetings aren't as consistent as they were before the pandemic, we have had at least one meeting a week over the last month. God has continued to bless us with meetings and we are completely booked next month! We are at 53% and praying for four new churches to take us on this month!

We also have a very special announcement! This coming March, we are expecting another baby girl! We are excited about how God has been blessing our family and look forward to having another Brown reaching India with the gospel!

Five years ago, I attended my first missions conference at Vision Baptist Church. I will never forget the impactful messages, testimonies, and presentations I was able to hear from people who God has called all around the world! We had the great honor, five years later, to make a plea for the country of India and that prayer would be raised for laborers to be sent to God's harvest.

Praise the Lord; we heard of a church in Vermont give a donation of \$1,000 towards our setup fund! As you would expect, there are a lot of expenses that contribute to moving to another country. This money will be used to purchase a vehicle when we get to India! Would you please consider what you can give towards our setup fund so we can get to India soon?

For Christ,  
The Browns
